September

Activities

A very warm welcome to all our new families, and welcome back to our returning children and parents. We hope you have enjoyed the summer break. Our team is excited to begin a happy new term filled with friendship, discovery and play. Please speak to us at any time if you have questions or if there is anything we can do to help your child settle.

September is about belonging, building confidence and learning nursery routines. Through child-led play and meaningful activities, we will support: settling, friendships and emotional wellbeing communication, stories, songs and early language independence at snack, toileting and getting ready outdoor exploration, creativity and early maths

We follow each child's interests and adapt experiences to their individual stage of development.

Term Dates

Friday 4 September — staff training day; nursery closed.

Monday 7 September — nursery reopens for the autumn term. Please keep your term-date sheet somewhere handy for future closures and events.

26th October Nursery closes till 2nd November

Tapestry is our main way of sharing observations, photographs, nursery notices and important care information. Please check that your login and contact details are up to date, read new posts regularly and add your own updates—we love hearing about children's interests and achievements at home. Urgent absence or collection changes should always be reported directly to nursery.

Caroline, Ellie, Kirsty, Rebecca and Charlotte are looking forward to welcoming you. Your child's key person will help them settle, get to know their interests and keep you updated. Caroline is the nursery manager and Designated Safeguarding Lead; Ellie is the Deputy Designated Safeguarding Lead.
