MARCH

Dear Apple Blossom Parents,

March is here, and we have a heartwarming and fun-filled week planned for your little ones! We're excited to share all the details with you.

Pancake Pretend Play!

The fun doesn't stop there! This week, the children will be pretending to make pancakes—mixing ingredients, flipping them high, and of course, “eating” their creations with giggles and smiles. This imaginative play helps develop their fine motor skills and creativity. Feel free to ask them about their favorite pancake toppings when they get home!

A Fond Farewell to Charlotte

We are sad to announce that we have said goodbye to Charlotte as she embarks on an exciting new adventure in Australia. Charlotte has been a wonderful part of our nursery family, and she will be greatly missed by the children and staff alike. We wish her all the best in her new journey and hope she creates amazing memories along the way!

A Warm Welcome to Ellie and Issi!

We are thrilled to introduce Ellie and Issi, who joined us last week at Apple Blossom Nursery! They have already made a fantastic start, and we are excited for you and your children to get to know them better. Ellie and Issi bring a lot of enthusiasm and fresh ideas, and we are sure they will be wonderful additions to our team.

Please join us in welcoming them and making them feel at home!

Parenting Tip: Practice the 5-Minute Tidy Up! 

Turn cleaning into a fun and manageable task by setting a timer for 5 minutes and challenging your child to pick up as many toys as possible. Play their favorite song to make it enjoyable! This helps teach responsibility and keeps your space tidy—one small step at a time.
